#### Your Own AI That Lives in Your House

The neuroinclusive local-AI class. Ships after the current season.

\$47 Matinee first

### How classes are scheduled: the cohort-cast model

A show does not get a curtain time until it has a cast. Cohorts begin when the cast is full: Theatre 1 and 2 at six enrolled, the Sanctuary at four. When your cast is full, you receive your curtain date by email, with a pick between two performance times. Standing stages: Monday noon and Thursday 5pm.
